FROST & SULLIVAN
Research Executive
Entry Level Position, Oxford
Salary From £15,500 Per Annum
Frost & Sullivan is an international consulting organisation with a strong reputation for high quality research and consultancy in a variety of markets.
Our plans for international growth, new products and increased demand for customer research have created new recruitment opportunities. Further information regarding our organisation can be found on www.frost.com
You will work in the Global Customer Research Centre as part of an international team, and undertake business to business telephone research interviews, and desk research.
You will be degree qualified, a confident communicator across all levels (written and verbal) and commercially aware.
The ability to work well autonomously and as part of a team is essential. It is also essential to have fluency in English and at least one other main European language.
As the role will require high usage of Microsoft applications, a competent level of computer literacy is required.
If you have a real interest in the dynamic field of business to business market research, and meet the above criteria, please forward your letter of application and CV by the 18th July, 2004, to
hr-europe.cservice@frost.com
You must be eligible to work in the UK for any employer
Only successful applicants will be contacted for interview
