**SHARING SPACES? Prayer and the Counselling Relationship**  
By Jessica Rose. Foreword by Wendy Robinson  
The counselling profession is committed to being non-directive and non-judgemental. But what happens when prayer is part of the counsellor's life? Or part of the client's? Or both? Sharing Spaces? Is a practical and insightful contribution to an under-explored area, looking at ways in which prayer can inform and nourish the counselling process, as well as ways in which the two areas can be difficult to integrate.  
"Jessica Rose, in this wonderfully clear and realistic book ... is painfully honest about the pitfalls, the misconceptions of both praying and counselling that will distort what we try to do..." Rowan Williams, Archbishop of Wales  
"Wisely, Jessica Rose refuses to offer neat solutions, but she takes us to the very heart of the questions that we ought to be asking" Bishop Kallistos of Diokleia  
Published by Darton, Longman and Todd. ISBN 0-232-52387-8. £9.95
